	PF	ROBLE	M OF MIND
1	Course Title:	PROBLE	EM OF MIND
2	Course Code:	FLS308	3
3	Type of Course:	Optional	
4	Level of Course:	First Cyc	cle
5	Year of Study:	3	
6	Semester:	5	
7	ECTS Credits Allocated:	4.00	
8	Theoretical (hour/week):	2.00	
9	Practice (hour/week):	0.00	
10	Laboratory (hour/week):	0	
11	Prerequisites:	No	
12	Language:	Turkish	
13	Mode of Delivery:	Face to	face
14	Course Coordinator:	-	Metin BECERMEN
15	Course Lecturers:	Prof. Dr. Muhsin	A. Kadir ÇÜÇEN, Prof. Dr. Ahmet CEVİZCİ, Doç. Dr. YILMAZ,
16	Contact information of the Course Coordinator:	mbecerr Uludağ l Görükle,	cermen@yahoo.com; nen@uludag.edu.tr, Jniversitesi Felsefe Bölümü Fen-Edebiyat Fakültesi, 16059 Bursa - Türkiye. 224 2941834

18	Objective of the Course:		vestigate and explore the concept and problems of hy of mind in the history of philosophy and in our age.
	Objective of the Course: Contribution of the Course to Professional Development:		
18	Contribution of the Course to		
18 19	Contribution of the Course to Professional Development:		
18 19	Contribution of the Course to Professional Development:	philosop	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical
18 19	Contribution of the Course to Professional Development:	philosop	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed
18 19	Contribution of the Course to Professional Development:	philosop 1 2 3 4	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text
18 19	Contribution of the Course to Professional Development:	philosop 1 2 3	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers.
18 19	Contribution of the Course to Professional Development:	philosop 1 2 3 4 5 6	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers. To assert the solution in the light of text
18 19	Contribution of the Course to Professional Development:	philosop 1 2 3 4 5 6 7	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers.
18 19	Contribution of the Course to Professional Development:	philosop 1 2 3 4 5 6 6 7 8 8	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers. To assert the solution in the light of text To grasp our age and to answer the contemporary
18 19	Contribution of the Course to Professional Development:	philosop 1 2 3 4 5 6 7 8 8 9	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers. To assert the solution in the light of text To grasp our age and to answer the contemporary
18 19 20	Contribution of the Course to Professional Development: Learning Outcomes:	philosop 1 2 3 4 5 6 6 7 8 8	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers. To assert the solution in the light of text To grasp our age and to answer the contemporary
18 19	Contribution of the Course to Professional Development:	philosop 1 2 3 4 5 6 7 8 8 9 10	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers. To assert the solution in the light of text To grasp our age and to answer the contemporary problems
18 19 20	Course Content:	philosop 1 2 3 4 5 6 7 8 8 9 10	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers. To assert the solution in the light of text To grasp our age and to answer the contemporary problems
18 19 20	Contribution of the Course to Professional Development: Learning Outcomes:	philosop 1 2 3 4 5 6 7 8 8 9 10	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers. To assert the solution in the light of text To grasp our age and to answer the contemporary problems
18 19 20	Course Content:	philosop 1 2 3 4 5 6 7 8 8 9 10 CC	hy of mind in the history of philosophy and in our age. To see and show the importance of how philosophical concepts are constructed To understand the role of conceptualization in the mind To make a correlation between mind and world To explain and interpret the problems within the text To explore the problems in terms of text of philosophers. To assert the solution in the light of text To grasp our age and to answer the contemporary problems
